ADE BRANCH MEMORANDUM NO. 502.1

Supplement 1

To: ADE Branch, AIQ Branch, and M. I. Branch Stations

From: T. W. Cole, Chief, Public Stockyards Inspection Section

Subject: Cresylic Disinfectants Permitted for Use in Official  
Disinfection - Supplemental List

I PURPOSE

The purpose of this memorandum is to furnish employees engaged in livestock disease control activities with a supplemental list of cresylic disinfectants which conform to the specifications prescribed in Section 6, Regulation 1, BAI Order 309 (9CFR 71.10).

II GENERAL

Employees supervising the disinfection of infected or exposed cars, trucks, boats, other vehicles, stockyard pens, chutes, alleys, premises, etc., with cresylic disinfectant should make sure the product is one of the brands permitted for official use under Department regulations. The following permitted disinfectants which are to be diluted in the proportion of at least four fluid ounces to one gallon of water should be added to the current list:

Curts Cresylic Compound, Curts Laboratories, Inc., Kansas City 18, Missouri  
Dr. L. D. LeGear's 50% Cresylic Solution, Dr. L. D. LeGear Medicine Company, St. Louis 16, Missouri

The following cresylic disinfectants should be deleted from the list:

Crescent 50% Cresylic Disinfectant  
Dr. LeGear's Cresylic Solution
